Dear Participants, Fans, and Supporters,

It is my pleasure to welcome all of you to Tuscaloosa for the Alabama Community College Conference Men's and Women's Basketball Tournament. Shelton State Community College is honored to host this exciting athletic event! We hope that you enjoy the games.

Dear Friends,

It is with an open heart that I join Shelton State Community College in welcoming you to our vibrant community. This is an exciting sports event, and we extend our best wishes to all participants.

Tuscaloosa was born beside the Black Warrior River nearly 200 years ago; however, our spirit is young at heart and energized by the transformation taking place across our City. Downtown is in the midst of a public/private multi-million dollar reinvestment, which will truly create a Central City where you can live, work and play.

Our riverfront is experiencing its own renewal, with the addition of new recreational trails, businesses and restaurants. In 2009, the City began construction of a new riverfront amphitheater which will be a state-of-the art venue with the capability of hosting major performances and countless community events such as the symphony, theater and choral music.

In Tuscaloosa the opportunities for entertainment and relaxation are endless! From experiencing the thrill of a competition on the hard-court to the taste of the South's finest cuisine, we welcome you to Alabama's All-America City!

Sincerely,

Walter Maddox
Mayor

Success Starts Here

For many athletes, the ballgame doesn't end with high school. Fortunately, at Bishop State you can live out your dream of playing college sports while laying the groundwork for a career, or a four-year college and a shot at the pros. The Bishop State Wildcats athletics' program includes baseball, softball and basketball in the highly competitive National Junior College Athletic Association. With more than 30 associate degree and certificate programs, general courses of study and transfer options, Bishop State offers an affordable alternative to the four-year college, or a jumpstart on a career in two years or less. Athletics, academics, career training—at Bishop State, it's all here.
